A black and white photograph of vintage baseball equipment. A large, well-worn leather glove is positioned with its fingers spread wide, holding a baseball. The baseball has red stitching and shows signs of age. Behind the glove lies a wooden baseball bat, its handle on the left and barrel extending towards the right. The items are set against a dark, horizontally-grained wooden background.

AMONG THE FINEST!

2010 Hall of Fame Inductee

Fritz R. Johnstone - Sterling, Colorado

Fritz Johnstone was born in Seattle, Washington on December 14, 1944. In his later years he lived in Sterling, Colorado with his wife Sharon, until his death on November 15, 2009.

Mr. Johnstone graduated from Sauk Rapids High School, Sauk Rapids, Michigan in 1963.

Fritz officiated high school sports (including basketball and football) for over 30 years. He became a baseball umpire in 1979 and continued his service throughout his entire life.

During his career Fritz served as Area Director for each of three sports. He was a teacher, coach and mentor for many new officials in the state of Colorado.

Over the years, Fritz worked numerous District, Regional and State Tournaments. During the summers, Fritz worked the local legion and other summer baseball programs. He was also an assignor for many Northeast Colorado High Schools and various summer programs.

Even after Fritz retired, he never left the sport. He enjoyed NJC baseball games and even drove their bus to the 'away games'. He also drove on their annual spring trip to Arizona.

Until his death, Fritz never missed a local high school game. He would always want to go to 'watch, evaluate and give advice to the officials that were working the game.'
